# OD GIEST IN AS MIDDLE Proud Home of the Be

Depending on the school, there are often more students than adult volunteers. We are looking for people who will engage in conversation with students and connect with them. This involves playing basketball, soccer, cards, or just engaging in a simple conversation.

# 04 SETUP

Campus Life often involves prepping a classroom or gym twenty minutes prior to student arrival and cleaning up after they leave. This may include moving furniture, organizing snacks, or setting up a sound system, but it always involves praying over our time with the students.

# 02 GAMES

Games are huge part of what we do at club. The crazier the games are, the more fun Campus Life is for students! We are looking for high energy people who can bring passion and enthusiasm. We can provide game resources if needed, or you can bring your own idea - but you'll run it by the Site Leader to ensure it's appropriate.

## 03 SPEAKER

Sharing the Gospel is the most imporant part of what we do at Campus Life. We are looking for speakers who will share the good news of Jesus Christ to our students.
Content and material is provided and Site Leaders will assist in tailoring talks to students at each campus.

#### Get involved with

GLUB

We have multiple Clubs that meet on and off campus. Though the shape of each Club is tailored to meet the needs of the students at that school, these are four key ways we need volunteers at Club.

# BUILDING TIMES

Spending time with students to build new relationships and grow existing ones

# SMALL GROUPS

Small groups create a quieter environment to meet with several students at a time for interactive discussions about relevant topics and to connect them to God's truth.

# APPOINT-MENTS

Think mentorship here.
Appointments foster a oneon-one connection with an
individual student, where a
trustworthy leader can
speak truth and hope to
their specific circumstances
and needs.

# SERVE EVENTS

These events allow us to deepen the relationships we have with our schools, as we seek to serve teachers and staff through encouraging conversations, regular event breaks, and – importantly– snacks!

We host monthly and quarterly events for school staff, which include everything from homemade dessert bars to room-to-room snack cart delivery to full-spread lunch events.

# PRAYER TEAM

We believe that prayer is the foundational work of the ministry, so we are invite women and men from all industries and walks of life to intercede with us for the staff, volunteers, schools, and students we minister to.
